History: This message has been forwarded.

Mr. Taronji, please pass along the following message to Judge Kelly.

Judge Kelly:

After further research and consideration, Plaintiff is withdrawing his request for three separate punitive damage lines on the verdict sheet and accepts a verdict form with a single line for entry of a single punitive damages amount, without regard to the number of successful claims. Plaintiff's other requested changes to the charge and to the verdict sheet remain.

Respectfully submitted,

Nathaniel Charny
